

## CURRICULUM VITAE

**Name** Naohito, NAKASATO  
**Sex** male  
**Date of Birth** 1 September 1972  
**Place of Birth** Hokkaido, Japan  
**Nationality** Japanese  
**Present address** School of Computer Science and Engineering,  
University of Aizu, Aizu-Wakamatsu, Fukushima, 965-8510, Japan

### Education

1991-1995 Astronomical Institute, Faculty of Science, Tohoku University  
Awarded the degree of BSc in science (astronomy)  
1995-1997 Department of Astronomy, School of Science, University of Tokyo  
Awarded the degree of MSc in science (astronomy)  
1997-2000 Department of Astronomy, School of Science, University of Tokyo  
Awarded the degree of PhD in science (astronomy)

### Research Experience

2000.4-2000.9 Postdoctoral Fellow at Research Center for the Early Universe,  
University of Tokyo  
2000.10-2001.3 SFB Postdoctoral Fellow at Astronomisches Rechen-Institut, Hei-  
delberg, Germany  
2001.4-2004.3 JSPS Postdoctoral Fellow at Department of Astronomy, Univer-  
sity of Tokyo  
2001.6-2002.3 Guest Researcher at Astronomisches Rechen-Institut, Heidelberg,  
Germany  
2004.4-2007.3 Special Postdoc Fellow at The Institute of Physical and Chemical  
Research (RIKEN)  
2007.4- Associate Professor, School of Computer Science and Engineering,  
University of Aizu  
2007.4- Visiting Researcher, Computational Astrophysics Laboratory, RIKEN  
2010.5- Visiting Associate Professor, Division of Particle Physics and As-  
trophysics, Center for Computational Sciences, University of Tsukuba  
2012.4- Visiting Associate Professor, High Energy Research Organization  
2013.4- Senior Associate Professor, School of Computer Science and En-  
gineering, University of Aizu

### Research Fellowship

1997-2000 JSPS Research Fellowships for Young Scientists(DC1)  
2001-2003 JSPS Research Fellowships for Young Scientists(PD)

**Academic society**

- 1996- Astronomical Society of Japan
- 2003- International Astronomical Union
- 2006- Information Processing Society of Japan
- 2010- IEEE Member

**Award**

- 2005 Awarded Super Creator (2005) of the Exploratory Software Project of Information-Technology Promotion Agency(IPA), Japan
- 2011 Awarded Yamashita Memorial Paper Award, 2011, March, Information Processing Society of Japan
